Subject: **The 12th Step --- [We Must UNITE PEACE] - UNITED WE ALL STAND**

In my last transmission to the conscience wisdom wellness of your splendiddness..

We can hope this message is getting through --- HONESTY is the ONLY and BEST WAY through this mess -- you all have done lost your minds otherwise... no way you are going to stick to the story that you have been towing the lie for the haters above you --- time to tuck tail and run as fast and as far forward in unity of peace ----

AS WE COLLECTIVELY IN UNITED HANDS, UNITED HEARTS, UNITED MINDS, UNITED SOULS CAN!

PLEASE SEE ME AS THE
PEACE BUILDER MAN THAT I
SAY I AM!

If you are stuck at "The Dirty" and there is no breaking your faith of that discontented way, when you have to place lies before the record to defend such a just manifestation of hypocrisy... you all know that ain't gonna fly no more. No more bull shit! eh?

"This Is Your Last Chance" to save the world our inner ways --- RELEASE THAT HATERS FROM THE BUILDERS OF LIFE, LIBERTY, AND THE PURSUIT OF HAPPINESS FOR EACH AND EVERY SINGLE SOUL YOU PASS BY IN YOUR DAY.

We hold these Truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness—That to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed, that whenever any Form of Government becomes destructive of these Ends it is the Right of the People to alter or to abolish it, and to institute new

Government, laying its Foundation on such Principles, and organizing its Powers in such Form, as to them shall seem most likely to effect their Safety and Happiness.

Having come to realize, by taking these 12 steps, that certain structural characteristics of US society hinder American's pursuit of happiness; having also realized the ways in which some of our own actions reinforce those hindrance, we have experienced an invigorating, moral, ethical, political, and personal awakening. Feeling the changes within ourselves, we are motivated to reach out and engage sympathetically and supportively with whomever we can. We ask each other here to do the same. Our collective plans hope and cultivate action. Our collective is powerful. We can and will reap a sustainable future.
